Inishowen International Guitar festival

Welcome to the first Inishowen International Guitar Festival.

Three days of six string heaven in north Donegal. In our inaugural year we are delighted to present a broad spectrum of musical styles on acoustic and electric guitars performed by some of the foremost pickers in the world today.

Headlining is **Jennifer Batten**, instantly recognisable as the amazing blonde lead guitarist in Michael Jackson's band! She has also played and recorded extensively with Jeff Beck.

We have the rare combination of jazz and Nintendo tunes from **Wim den Herder** (a Jan Akkerman prodigy from The Netherlands), Chet Atkins thumb and fingerstyle from **Gareth Pearson** (Tommy Emmanuel prodigy from Wales), bluegrass and beyond from **Beppe Gambetta** (Italy), acoustic blues and folk from slide guru **Johnny Dickinson** (UK) and the exquisite Celtic tinged fingerstyle of **Clive Carroll**.

Home grown talent is equally represented by our own hero of Woodstock, **Henry McCullough**, **Arty McGlynn**, **Percy Robinson**, **Paul Buckley**, ex Bogey Boy **Jimmy Smith**, **Grainne Duffy** and those young Athenry rockers **The Deans**.

Check out the many workshops, our vintage guitar and amp display and the **Taylor Guitar and Bose trade exhibition**.

We have a limited supply of Weekend Tickets for €60.00 We extend the warmest welcome to folks of all ages to enjoy a fun filled weekend in Inishowen, Co. Donegal which is one of the most beautiful locations in Ireland.
